IBAN SK901100000002926850403
BIC TATRSKBX

Other data about the Data Subject, if you consider them important for tracking in the operator's systems (date of birth, employee's personal number, etc.):

(The Controller may request the provision of additional information necessary to confirm the identity of the Data Subject if it has justified doubts as to the identity of the natural person submitting this request. If the Controller proves that it is not able to identify the Data Subject, it may refuse to act on this request in the exercise of the Data Subject's rights.)

Required method of handling the request: *(tick one option)*

(The Controller is obliged to provide the Applicant with information in paper or electronic form, usually in the same form as the application was submitted. If the Applicant requests it, the Operator may also provide the information orally, if the Applicant proves their identity in another way.)

- in paper form
- by e-mail
- about the oral

The right that the Data Subject exercises by their request under the EU Regulation

(tick, multiple options)

- article 15 - access** to personal data
(access must not have adverse consequences for the rights of other natural persons)
- article 16 - correction and supplementation** of personal data
- article 17 - deletion** of personal data (right to be forgotten)
(published PD/unnecessary PD/illegally processed PD/PD processed for direct marketing purposes/PD after withdrawal of consent to processing, if there is no other legal basis for processing; this right does not apply to data processed in the exercise of public authority entrusted to the Controller, processed for the purpose of archiving, scientific/statistical purpose, historical research, to exercise the right to freedom of expression and information, to prove and exercise legal claims)
- article 18 - restriction of the processing** of personal data
(during the correction of incorrect data, during verification or when processing in the exercise of public authority/on the basis of the legitimate interests of the Controller, the interests of the Data Subject do not prevail if the Data Subject objects to the deletion of data and requests to replace it with a restriction of processing, if the Controller no longer needs the data and the Data Subject needs them to make a legal claim)

- **article 20 - transfer** of personal data processed by automated means
(when processing data on the basis of the consent of the Data Subject/contract between the Controller and the Data Subject; it does not apply to data processed in the exercise of public authority entrusted to the Controller)
- **article 21 - objection to the processing** of personal data
(when processing for the purposes of public interest/exercise of public authority entrusted to the Controller/legitimate interests of the Controller – if the Controller continues processing, it will provide justification/when processing for direct marketing purposes – the Controller will immediately suspend processing)

More information about your request:

The Controller provides the Data Subject with the following information pursuant to Article 13 of the EU Regulation:

The legal basis for the processing of personal data obtained from the Applicant and specified in this application is Regulation (EU) 2016/679 on the protection of natural persons with regard to the processing of personal data and on the free movement of such data. The Controller **stores these data for the duration** of the purpose of processing and for the duration of the storage period of the filing record, which is five years in accordance with the Controller's Filing Regulations.

The Purpose of the Processing of this Data is to Register and Handle the Data Subject's Request to Exercise His/Her Rights in accordance with applicable legislation. The Controller has, in accordance with the EU Regulation, a designated responsible person in charge of the supervision of personal data protection (hereinafter referred to as the "responsible person").

The recipients of personal data in accordance with this purpose are the Controller, the Data Subject or the Office for Personal Data Protection of the Slovak Republic, toward which the Controller has a notification obligation and the recipients to whom the Controller is obliged, pursuant to Article 19 of the EU Regulation, to notify the correction/deletion of personal data or the restriction of the processing of personal data.

The Data Subject **has the right to provide information**, the right **to access** personal data, the right **to correction** and the **right to submit a proposal to initiate proceedings pursuant to Section 100 of Act No. 18/2018 Coll. on the Protection of Personal Data**. More information about the rights of the Data

Subject is provided in the EU Regulation and also on the Controller's website (in the Personal Data Protection section).

The Data Subject/Applicant declares that he/she has made himself/herself aware of this information before submitting the form "Data Subject's Request to Exercise his/her rights under EU Regulation".
